

Cookie Policy

Introduction

Fusion AI values your privacy and is committed to ensuring transparency about the use of cookies and similar technologies on our website. This policy explains what cookies are, how we use them, and your choices regarding cookies.

What Are Cookies?

Cookies are small text files stored on your device when you visit our website. They are widely used to improve the user experience by enabling the website to remember your preferences, activities, or login status.

Types of Cookies We Use

1. Necessary Cookies

These cookies are essential for the operation of our website. They enable basic functions such as page navigation and access to secure areas.

Example: Session cookies.

2. Performance Cookies

These cookies help us understand how visitors interact with our website by collecting anonymous information. This data is used to improve the user experience.

Example: Google Analytics cookies.

3. Functional Cookies

These cookies allow the website to remember your preferences and settings for a better browsing experience.

Example: Language preference cookies.

How We Use Cookies

We use cookies to:

- Provide core website functionalities.
- Analyze website traffic and improve performance.
- Remember your preferences.
- Deliver personalized content and advertisements.

Your Cookie Choices

You can manage or delete cookies at any time using your browser settings. Most browsers allow you to refuse or accept cookies. Please note that disabling cookies may impact the functionality of our website.

Updates to This Policy

We may update this Cookie Policy periodically. The updated version will be published on our website, and the date of the last revision will be indicated.
